

Purwell Primary School

Attendance Policy

2018

Approved by the School Improvement Committee, on behalf of the Governing Body, for immediate implementation, on 16th July 2018.

To be reviewed – July 2019.

1. Initial Statement

- 1.1 At Purwell Primary School, we want the whole school community – governors, staff, parents and pupils to be committed to high standards of attendance and pupil punctuality.
- 1.2 Purwell Primary School aims to encourage and assist all pupils to achieve excellent levels of attendance and punctuality.
- 1.3 Good attendance helps the children in this school community to maximise their learning. This policy will support us all to achieve high levels of attendance and punctuality.

2. Targets

- 2.1 This school sets targets in accordance with Statutory Instrument 2005 No 58 – The Education (School Attendance Targets) (England) Regulations 2005. The annual target is the total absences expected in the school year, expressed as a percentage of the total possible attendance by pupils at the school.
- 2.2 The Headteacher will ensure that the Governing Body has submitted annual targets to the Local Authority, as required.

3. Expectations

- 3.1 The responsibility for good attendance is shared between school, parents and pupils.
- 3.2 The expectations for school are that:
 - The school will provide a safe learning environment.
 - The school will ensure that records of attendance are maintained according to Government legislation and guidance, on a daily basis.
 - The school will follow up all instances of poor attendance and punctuality.
- 3.3 The expectations for parents are that:
 - Parents are expected to ensure that their child attends school regularly, punctually, properly dressed and equipped and in a fit condition to learn.
 - Parents will inform the school, on the first day of absence, of the reason for their child's absence from school.
 - If parents have failed to contact the school, the school will call the parents on the first day of absence.
 - Parents will maintain regular communication with school staff, where necessary.
 - Parents will ensure that the school is informed of any changes of contact details.
- 3.4 The expectations for pupils are that:
 - All pupils are expected to attend school and all of their lessons regularly and punctually.
 - Pupils must remember to hand any note, giving reasons for absence, to the relevant person.
 - Pupils are expected to be ready to learn.

4. Arrival at School

- 4.1 Children should arrive at school between 8.40am and 8.50am. They should enter the school through the playground gates to either the infant or junior playground. Junior children should go straight to their classrooms. Infant children should be accompanied whilst they wait on the playground. If the weather is bad, Infant children should be sent straight into their classroom.
- 4.2 For the safety of the children they are not allowed to use the main entrance used by vehicles because of the obvious dangers.

5. Registration

- 5.1 Registers are taken at 8.50am and at 1.00pm. Registers close at 9.20am and 1.30pm. Registers are marked consistently by staff, and every child must have a mark in the register for every session.
- 5.2 Any pupil arriving after closure of the register will be marked absent for the whole of the session

5.3 Registers are marked in accordance with DfE guidance.

6. Lateness

6.1 Any pupil arriving after 8.55am should report to the School Office.

6.2 A member of the school office staff will record the late arrival to school.

6.3 A member of the school office staff will ensure that the later arrival is transferred into the register.

6.4 In the event of an emergency, the late arrivals sheet is taken to the Assembly Point.

7. Following up Lateness

7.1 Parents whose children are regularly late for school will be contacted by a member of school staff, who will work with the parent(s) to bring about an improvement in punctuality.

7.2 Initially, the parent would be contacted by the school office to follow up late arrivals to school.

7.3 If late arrivals are due to circumstances outside the pupil's control, eg delayed buses or road closure, then late arrivals are marked as authorised.

7.4 External agencies, such as the Attendance Team may be informed if lateness continues.

8. Absences

8.1 Notification must be provided for all absences from school.

8.2 Notification will be accepted from parent/carer or adult family member.

8.3 Notification will be accepted by telephone, email or letter by 10.00am.

8.4 Should prior notification not have been given, and first day response not effective, either written notification should be given to the class teacher, or an email sent to the School Office address when the child returns to school, noting the illness.

8.5 Notifications are stored with the class register, and stored for the period of the academic year, unless requested otherwise.

8.6 Absences can be authorised for a variety of reasons which may include: illness, medical appointments, family bereavement or moving house.

8.7 Absences can be refused authorisation for a variety of reasons, which may include: holidays, shopping, birthdays, haircuts.

8.8 Absences are authorised by the Headteacher.

8.9 The school may decide not to authorise absence, even when a reason is provided. If there is any doubt about an absence, the decision will be made by the Headteacher.

8.10 The Headteacher would make the decision to unauthorise absence once authorised, and then inform parents.

8.11 All attendance under 90% will not be authorised unless a medical certificate is given. The Headteacher will make the decision regarding authorisation.

8.12 Pupils must attend school on the day of any medical appointments unless the appointment is out of Hertfordshire. For example, if a pupil has a medical appointment in the afternoon, they must attend school in the morning, or if medical appointment is in the morning, they must return to school for the afternoon session. Appointment cards may be requested prior to the appointment.

8.12 In exceptional circumstances, it may become necessary to move pupils to a part-time timetable. For example, medical reasons. In these cases, the anticipated absence will be recorded as authorised.

8.13 Part time timetables will only be used in exceptional circumstances and for limited time periods, dependent on severity of need.

9. Leaving and Returning to School during the School Day

9.1 When pupils leave or return to school during the school day, office staff must be notified.

9.2 Parents are requested to contact the school in writing to inform them of any appointments.

9.3 All pupils should sign out on leaving the school building.

9.4 In the event of an emergency, the Signing in and out book is taken to the Assembly Point.

10. Following up Absence

10.1 The school follows up all absences from school.

- 10.2 Prolonged or regular absence from school is dealt with in various ways which might include; letters to parents, phone calls to parents, meetings in school, involvement of the AIO (Attendance Improvement Officer) or other professionals.
- 10.3 If other professionals are known to be involved, they will be informed of any concerns about school attendance.
- 10.4 If a pupil is returning to school after a prolonged period, then appropriate support will be given to help them settle back in.
- 10.5 The Headteacher, in conjunction with external agencies, is responsible for making a referral to Hospital and Home Education when a pupil is likely to be absent for a long time owing to illness.
- 10.6 The School Office is responsible for completing the EWN1 forms to make the Attendance Improvement Officer aware that a pupil has been taken off roll (forms are kept in the School Office).
- 10.7 The school follows the Hertfordshire County Council guidance on Exclusions.

11. First Day Response

- 11.1 The school uses First Day Response. This means that if the school has not received notification regarding absence, an attempt is made to contact the parent or carer.
- 11.2 This is for all pupils absent from school where no reason has been received for their absence.
- 11.3 First day response is carried out by the School Office staff.
- 11.4 The School Office staff makes a list of absences when the registers are returned to the school office.
- 11.5 All first day response calls will be made at 10:30am, after checking with teachers at the beginning of break that the pupil has not arrived in school without coming via the School Office. A record will be made if there is no response.
- 11.6 The School Office staff will update the registers with any information received from first day response calls.
- 11.7 The first day response process continues on a daily basis until the child returns to school.

12. Term Time Holidays

- 12.1 The school will not authorise requests for taking family holidays during term time
- 12.2 Parents are made aware of the school ethos on holidays during term time, through the school prospectus, new parents' meetings and through regular items in the school newsletter and website.
- 12.3 Nursery children are exempt from the above procedures.

13. Rewards

- 13.1 The school rewards good attendance.
- 13.2 Individual pupils receive certificates for excellent, or much improved, attendance, as appropriate.
- 13.3 Classes are rewarded for good attendance on a weekly basis.

14. Working with External Agencies

- 14.1 The school works in partnership with external agencies and teams to improve attendance for individual pupils and the whole school.
- 14.2 The Headteacher regularly meets the external agencies on an agreed schedule.
- 14.3 The school works with individual pupils and their parents to improve poor attendance.
- 14.4 When attendance does not improve sufficiently, and after discussion with advisors, the school will make a formal referral to Children's Services.

15. Legal Action

- 15.1 Legal action may be taken if deemed necessary by the Headteacher and relevant external agencies. This may include fixed penalty notices and court action. Twenty-one unauthorised sessions within a term may lead to a fixed term penalty notice and a fine will be issued. If the fine is not paid within 42 days, the fine will be increased. An extract from

Penalty Notices (Truancy) Guidance for Schools and Academies issued by Hertfordshire County Council is attached as Appendix A.

15.2 A template of the 'at risk warning letter' to send to parents is attached as Appendix B

15.3 A template of the 'breach letter' to send to parents is attached as Appendix C.

16. Publication of Information

16.1 Parents are made aware of the school ethos on attendance and punctuality through the School Prospectus, new parents' meetings and through regular items in the school newsletter and website.

16.2 Attendance is a regular item on the school newsletter.

16.3 Parents, pupils, staff and governors are informed of whole school attendance issues and statistics on a regular basis.

16.4 Attendance is reported to governors, via the Headteacher's report.

16.5 Pupils are informed about the importance of school attendance via PSHE lessons and school assemblies.

16.6 Members of staff are informed of any changes to the school's Attendance Policy through staff meetings.

16.7 The school shares information on individual pupils' attendance as necessary with parents, pupils, staff and outside agencies.

16.8 If a parent's first language is not English, any communication will be translated as necessary, if possible.

16.9 The School Office is responsible for ensuring that termly data is submitted to the DfE.

17. Child Missing from Education

17.1 A child is missing from education if they are of compulsory school age (age 5-16), do not have a school place and no alternative education arrangements have been made for them. A child is not defined as missing from education if they have a school place but are not attending regularly, if they are being home educated or if they attend alternative provision such as a college or Education Support Centre. Some children, often the most vulnerable, are at greater risk of going missing from education.

17.2 These vulnerable groups include:

- looked after children
- children living in women's refuges
- young runaways
- children of homeless families, perhaps living in temporary accommodation
- children with long term medical or emotional problems
- unaccompanied asylum seekers
- children of refugees or asylum seeking families
- children in new immigrant families not yet established in the UK
- children from a Gypsy, Roma or Traveller background
- children who are privately fostered
- young carers
- children from transient families
- teenage mothers
- young offenders
- children permanently excluded from school

17.3 Children missing from education are at greater risk of:

- physical harm
- sexual exploitation
- becoming involved in crime
- demonstrating anti-social behaviour
- abusing drugs and alcohol
- being illegally employed

17.4 It is vital therefore that the authority, schools and other agencies work closely together to help safeguard children who may be missing from education.

17.5 If the child is missing from education, the school will ensure the details are passed to the appropriate team to secure suitable education. All children missing from education will be monitored by the school until such time as suitable provision is made.

17.6 The referral procedure for children believed to be missing from education will be followed if a child they believe to be missing from education comes to their attention.

17.7 The Headteacher will contact CME Officer for advice on 01992 556867. To make a referral to the CME Officer.
