

History

We will investigate where the Vikings came from and explore them as raiders, traders and settlers.

Geography

We will be looking at the locations of Viking settlements and researching the different uses of land. We will also study their routes as raiders, traders and settlers.

English

We will begin the term writing stories on different genres. We will use drama to infer how unknown characters would be acting and feeling in different situations.

We will be debating whether the Viking expansion had a longer-lasting effect on the world and we will be writing persuasive letters to important Viking figures asking them not to invade Saxon villages.

Design & Technology

We will be designing and making Viking Houses, evaluating their structure and support systems and comparing them to modern boats.

Computing

Staying Connected

This term, we will be writing our own wikis and blogs about school life, the Vikings and any current topics of interest to the class.

Spanish

Oak Class

Raiders and Invaders.

Spring Term 2019

Science

We will be looking at different species of animals, including humans, We will be studying the circulatory system and describing the functions of the blood vessels, heart and lungs.

We will also be studying inheritance and evolution, looking at how and why humans have evolved over time.

PE

We will observe skills and routines in gymnastics, evaluating and making changes to our sequences.

Music

Jazz music will be our focus point in our Music lessons. We will learn which instruments are included in Jazz songs.

Maths

We will continue to look at mental and written strategies for the four operations and learn how to apply them efficiently to everyday problems.

We will be using our knowledge of shapes, angles and coordinates to help design our structure for our Viking Longboats.

We will also be collecting weather data and presenting it in different charts and graphs.

RE

We will be continuing with the religions of Buddhism and Christianity and looking at how people express their faith through art, drama and song.

PSHE

We will be looking at e-safety and how to follow a healthy lifestyle.
