What will we be doing?

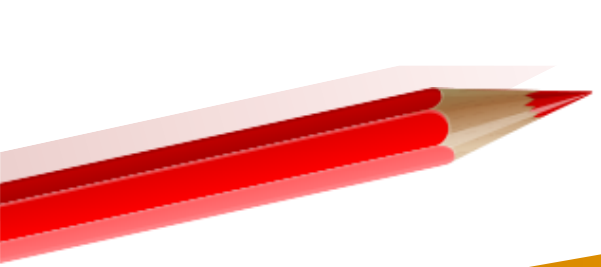

We come to school to help our brains grow and our bodies develop. In Acorn class we learn through play and by adults teaching us.

Here are some of the things we will be doing everyday.

- playing and exploring
- sharing stories and rhymes
- drawing, painting and writing
- numbers and counting
- phonics to help us read and write
- finding out about our world and the people in it
- learning to talk clearly
- caring for ourselves and each other

Having lots of fun!

See you soon

Have a great summer!
