

Computing

Internet Safety
Sound Works—finding out about digital sound, sound recording and creation of sound.

English

In English, this half term, we will be learning about legends and studying the text *Arthur* by Michael Morpurgo. We will be writing a recount in the form of a biography and developing our handwriting, spelling and grammatical skills when writing.

Art

In Art, we will be exploring mosaic designers from the Roman period and designing and making our own mosaic tiles.

History

History will take us back to the Roman period, this term, where we will be looking more in depth at this period of time, finding out about how the Romans have impacted on our lives today.

ASPEN CLASS

Autumn Term 1

Science

Science takes us into outer space. We will be learning about the solar system, the relationships between the Earth, the Sun and the Moon and how day and night occur.

PE

Games - Tennis
Gymnastics

MUSIC

Living On a Prayer
Listen, appraise and perform

Maths

In Maths, we will be developing our number and calculation skills. We will be focussing on developing our fluency skills to be able to quickly recall the multiplication tables and our reasoning skills to explain our thinking, when working mathematically.

RE—Christianity and Judaism

PSHE—Rules, routines, feelings and emotions

Spanish—numbers to 20 and basic phrases
