

Homework expectations

Homework will be set on a Friday and is due in on the following Thursday.

Weekly homework will consist of:

Times tables practice.

Maths - teachers will assign an activity/task on Mathematics or set an activity linked to their current topic. We encourage use of Mathematics at home. This is an enjoyable way to help children improve their mathematical fluency.

Daily reading - Please spend at least 10 minutes a day reading and discuss the book with your child. Please comment/sign their reading record each time you read.

Spellings

Spellings will be set on a Monday and tested on the following Friday.

Activities could consist of a spelling list to learn, or an activity linked to the week's spelling rule or pattern.
