

Our school has received coronavirus (COVID-19) catch-up premium grant for academic year 2023 to 2024. The following statement will indicate :

- how it is intended that the grant will be spent
- how the effect of this expenditure on the educational attainment of those pupils at the school will be assessed

Total allocation £4,241

- Supply teachers so that subject leaders are able to visit other classes, during the school day, to assess gaps in learning in their subject which need to be plugged. (£2,000)
- English and Maths resources, for basic skills, gaps filling. (£1,000)
- Teaching Assistant to support most affected pupils impacted upon by basic skills support for 6 pupils identified in Year 2 (am) and 6 pupils identified in Year 4(pm). (£1,241)

Purchase of further books. During the lockdown, many children did not read at all or enough. To accelerate reading progress and to encourage the love of reading for pleasure, the range of books has been extended.

Further details to be added as they occur.
